Hotel Atlantico, de Francia.

Cadiz, 2nd August, 1933.

Dear Sir,

With reference to the case of the steam trawler "Canosa", I have to inform you that as soon as I received your letter of the 21st ultimo, I wrote to Sr.Dn.Ramon Canosa asking him to let me have an immediate reply regarding his intentions towards the completion of the 2nd Special Survey No.I upon this vessel, but up to the present date, I have received no reply.

I have written to him repeatedly and on the rare occasions when I have been able to see him I have asked him to let me have a definite answer but all without result. He has no office here and resides outside the town.

I have been informed that he has no money.

There is an outstanding account against this Owner for part of the Special Survey already carried out and I would be glad to have an opportunity to collect that amount before the class of the vessel is withdrawn.

I am, Dear Sir,

Yours faithfully,

The Secretary,
