

COI

Dear Mr. French,

With reference to
referred to in your letter of [illegible] Committee in with
action taken by the American [illegible]
class and recommending that three dots should be [illegible]
upon thereof, you will observe from my official letter of
today's date that the General Committee here have confirmed
the American Committee's minute.

At the same time I think it well to point out, for
your own information, that had the case been dealt with here
in accordance with our usual practice the Committee would in
all probability have felt that they had no alternative, in the
circumstances of this case, but to deal with the vessel's
class by expunging the same from the Register Book with a
Red Line, indicating non-compliance with the Society's rules.

Yours faithfully,

James French, Esq.,

NEW YORK.
