20th April, 1932.

Dear Sirs,

Reverting to my letter of the 29th September last respecting the steamer "SILVERGRAY", I beg to acquaint you that this case has again been placed before the Committee and that in view of the fact that the vessel is still laid up they have further deferred consideration of the same, subject to a complete Boiler Survey and the Survey of the Screwshaft being carried out before she is again placed in commission.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.
