Dear Sirs,

H. I beg to acknowledge the receipt of your letter of the 24th instant intimating that the steamer "SILVERGRAY" is still laid up, and in reply I have to say that in the circumstances, the Committee, who had the case before them at their Meeting to-day, are agreeable to the survey of the screwshaft being postponed for the present.

At the same time I think it well to remind you (as intimated in my letter of the 5th May last) that a complete survey of the boilers will require to be held before the vessel is again placed in commission.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.
