Naples, 2nd February, 1934 XII

Messrs. Lloyd's Register of Shipping,  
Via A. Depretis No. 31  
Naples

We must thank you for your favour of the 31st and for the information conveyed regarding our vessels.

We have had the pleasure, in fact, to interview your Principal Surveyor at Genoa and we reserve to take a decision regarding the classification of our vessels with your Society.

You know however, that for everybody and especially for us, it is necessary that one should be guided by economy from which it is impossible to depart.

We shall however reserve to take up a decision in this matter and let you have our definite reply.

With best regards.

Yours faithfully

sgd. A. Lauro.
