Enclosure.

21st September, 1921.

Dear Sirs,

With reference to your First Entry Report No. 2013 on the Steamer "GIULIA PEIRCE", I have to acquaint you that the Society's Surveyors at Havre have forwarded to this Office a copy of a report issued by them of the survey held on damage to this vessel by collision.

It appears that the repairs recommended by them were carried out, but as they were informed that the steamer was classed in the British Corporation Registry, they did not make any inspection of the work when in progress, and in the circumstances, I shall be glad if you will be good enough to take an opportunity of examining the repairs with a view to reporting thereon when the steamer again comes under your survey.

For your information I enclose a copy of the damage report herewith.

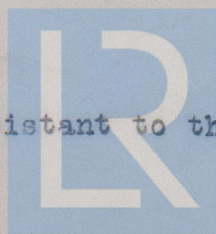

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

NAPLES.

Assistant to the Secretary.
