Copy of a letter dated 1.7.21 received from the  
Society's Surveyors at Naples.

Dear Sir,

We forward ~~em~~erewith our classification  
reports on Bacini and Scali Napoletani S.S. "CB 12" now  
named "GIULA PIERCE". Owing to the Italian decree that  
all vessels built in Italy and handed to their Owners by  
the end of June would be taken over by the Government for  
two years charter, this vessel was handed over in an  
unfinished state, as the Owners, Messrs. Peirce Bros. wanted  
to have this vessel employed.

It has been arranged between the Owners  
and builders to complete the vessel to our requirements  
on her arrival back from Rotterdam where she is bound from  
to take a cargo of coals for Naples.
