Mr. Roberts
and Register
Es

Dear Sir,

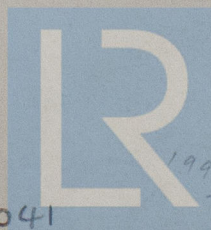

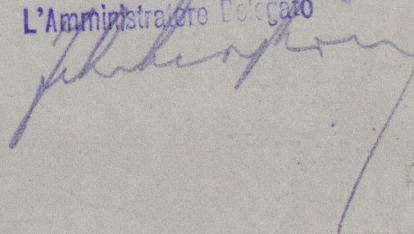

We desire to class our C.B. 12 named the GIULIA in your Register possible, we know we are rather late in asking for this to be done, but circumstances have occurred recently in which we find your classification would help us.

The vessel is launched and at present having machinery and are fitted.

We will give you every assistance possible in order to facilitate the classing of this vessel.

Your faithfully

Soc. An. Bacini e Scali Napoletani
L'Amministratore Delegato
