

## SS. "Giulia Pierce"

This vessel which has been built by Messrs Bacini & Scali Napoletani without special survey & which has been partially surveyed by the Naples Surveyors for Classification with this Society has been handed over by Builders to the Owners before the completion of the Survey.

The Naples Surveyors state that the vessel is to make one voyage to Rotterdam & back to Naples when the Survey will be completed.

It is submitted that action be deferred until the Survey is completed.
