

Extra P.C. please - "S" Dept.

21st June, 1934.

Dear Sirs,

I beg to acquaint you that I have been
this Society's Surveyors at Kobe that they have rec
letter from you stating that it is no longer your will
continue the classification of your steamers "LUSHAN"
and "SUNGSHAN" in the Society's Register Book.

I may say that the Society's Surveyor at Shanghai
has at the same time forwarded a letter which he has
from your office at that port, from which I regret to learn
that, for reasons of economy, you have decided to suspend the
classification of all your vessels classed with this and other
Societies.

The cases of the two vessels referred to above have
been submitted for the consideration of the Committee at their
meeting today, and I have to inform you that, in the
circumstances, instructions have been given for the character
of each vessel to be withdrawn from the Register Book and
three dots (...) inserted in lieu thereof, indicating withdrawal
of class at Owners' request.

I am, Dear Sirs,
Yours faithfully,

Messrs. Nisshin Kisen Kabushiki Kaisha,
6, Marunouchi, 3-chome,
Kojimachi-ku,
TOKIO,
Japan.

Clerk to the
Classification Committee
