1169. "VERBORMILIA". With reference to my letter of the 21st February last, and to previous correspondence respecting this vessel, I have to inform you that I have now received from the Secretary of the Verbormilia Steamship Company, Ltd., of this City, a letter in which he states the Directors of the Company have decided to withdraw the classification from this Society and intend to reclass her elsewhere.

The Committee have had the case under consideration and have decided, in view of the fact that the year of grace for the 2nd Special Survey No.3 does not expire until the end of the present month, to withdraw the vessel's class from the Register Book and insert three dots in lieu thereof, indicating withdrawal of class at Owners' request. I shall, however, be glad if you will make discreet enquiries with a view to ascertaining whether there is any particular reason.

there is any particular reason for the action taken by the Owners
and whether the survey for re-classification is to be carried out
in the Danube, and by what Society.
