

Steel S.S. "Ruth" Gls 26425.

As The Engines & Boilers of This vessel were constructed under special Survey in 1905 & fitted on board in 1908, it is submitted That The following record should be noted in The Register Book viz:-

± NE & B 12.05 fitted 08 (mild)
as the present record of P & B made 05 fitted 08 (in black on Col 13) does not indicate That They were built under special Survey.
