Dear Sir,

In reply to yours of 27th July. Re report No. 2660 S.S. "WUGO MARU" I have to state that margin angle to the shell is  $3\frac{1}{2}$ " x  $3\frac{1}{2}$ " x.42 and that all bulkheads extend to Awning deck, as shown on approved plan.

Regarding amended freeboard verification of marking form I beg to state that ship has already left the Builder's yard and is now on a voyage to Manila where freeboard will be verified by Society's surveyor. A cable to this effect was dispatched, giving full particulars of markings on the 16th Ultimo, to Manila P.I.

Yours very truly,

*H.D. Buchanan*
