

4 - JUL 1934

S.S. "COASTER".

This case is stated in endorsement dated 28.6.34, when the vessel received the consideration of the General Committee, and instructions were given for the vessel's class to be expunged from the Register Book with a Red Line.

A letter has now been received from the Newcastle Surveyors enclosing one from the Owners in which they state "If the Committee will be good enough to mark the Register that she is sold for breaking up perhaps that would suffice. We do not like any appearance of not having carried out the Committee's requests".

The case is submitted for the consideration of the Committee.
