29th November, 1932.

Dear Sirs,

I am in receipt of your memorandum of the 23rd instant respecting the steamer "TORIAK", and in reply I have to say that in view of the fact that this vessel is still laid up, the Committee, who have had the case before them at their meeting today, are agreeable to the 2nd Special Survey No.2 and the Boiler and Screwshaft Surveys being postponed for the present.

I shall be glad if you will inform the Owners accordingly.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.

The Surveyors,

OSLO.
