# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

8th August, 1934.

Dear Sirs,

I have to acknowledge the receipt of Mr. Edgar's letter of the 1st instant relative to the Molasses Tanker "ATHELOREST", which has been laid up at your port for some time past, and with regard thereto have to inform you that the position so far as the retention of the vessel's class is concerned, which you have explained to Mr. J. Kennaugh, is correct and the proposals are in order.

I have to add that no visit up to the present has been made <sup>here</sup> by the Firm's Representative to discuss the case.

It must be clearly understood that in the event of the vessel leaving your port without the inspection referred to in your letter being carried out, you should immediately advise me, by telegram if necessary, as her class cannot otherwise be maintained for the voyage to Rotterdam and must at once be expunged.

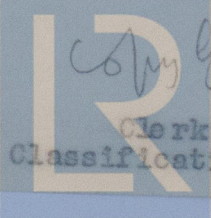

I therefore await a further communication from you as soon as you are in a position to advise me what steps will be taken in the matter.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

GREENOCK.

Clerk to the  
Classification Committee.
