

s.s."SOUTHERN EMPRESS"

Plan of modification to rudder.

A new slipway is to be fitted to the stern of this vessel, and on this account it has been necessary to modify the ^{form of the} rudder and also to reduce the length of the mainpiece and stock.

The arrangements proposed are similar to those of the s.s. SOUTHERN PRINCESS" already approved.

It is submitted that provided the arrangements be carried out as shewn and amended on the plan, and to the satisfaction of the Surveyors, the same will merit approval.
