-----  
The Boiler Survey became due on this vessel in July last.

In reply to enquiry the Kobe Surveyors now forward a translation of a letter received from the Owners stating that they do not desire to continue the vessel's classification in the Society's Register Book.

The Classing Committee had the case before them on Tuesday, the 23rd instant, when they decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.

25th October, 1934.
