

W1272 0206

Is Visigoth

It is submitted that this letter from Messrs Joss Sons & Co
relating to the pump sections at the after part of the
S.S. "Visigoth" (No 25 Suff), should and the papers
attached thereto, should be forwarded to the Antwerp
Surveyors, who should be requested to make an examination
of the pump section arrangement referred to and report
thereon for the information of the Committee.

The Surveyors should be informed that the owners
representative is going to Antwerp to night and desires
to meet them on board the vessel tomorrow.

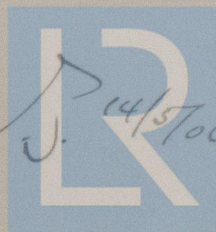

With reference to the Owners request that the
Glasgow Surveyors should be asked to report upon the
case it is submitted this might be deferred until the
report has been received from the Antwerp Surveyors.
