-----

The Boiler Survey became due on this vessel in December last.

The Kobe Surveyors now forward a letter from the Owners intimating that as this ship is to be used in the future for coasting service only, it is their intention to withdraw her from class with this Society.

The Classing Committee had the case before them on Friday, the 11th instant, when they decided to withdraw the vessel's class from the Society's Register Book and insert three dots (...) in lieu thereof, indicating withdrawal of class at Owners' request.
