

"SURIYOTHA NAWA" ex "ADMIRAL LAWS", Built 1921-3.
"THEPSATRI NAWA" ex "ADMIRAL SENN", BUILT 1920-10
"SISUNTHON NAWA" ex "ADMIRAL WOOD", Built 1920-12.

---oOo---

These vessels were built under the Society's Survey and classed ~~100A1~~, but in February 1935 the class was withdrawn at the Owners' request.

The Bangkok Surveyor now writes that the vessels have been purchased by the Thai Maritime Navigation Co. Ltd. and will be registered in Bangkok.

"The first has arrived, the second is due in a few days' time, and the arrival of the third is not yet known."

Enquiry is made as to what formalities would be necessary should the new Owners wish to reclass the vessels.

It is submitted the Surveyor be informed, by air mail as requested, that to enable the vessels to be reclassified the requirements of a S.S. No. 3 should be complied with.

The Surveyor might be informed, as requested, that these vessels were withdrawn from class at the Owners' request.
