6th February 1923.

Dear Sirs,

I duly received Mr. Bartlett's letter of the 29th ultimo respecting the Genoa First Entry Report No. 8307 on the S.S. "SUPERGA", and his remarks have been noted.

I shall be glad if Mr. Bartlett will also forward the following information, viz:-

- (1) Whether the forecastle and poop decks are teak sheathed, in view of the thickness being 65 m/m;
- (2) What reason is assigned for fitting the propeller post 203 x 194 m/m instead of 238 x 194 m/m as approved.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

GENOA.
