

**COPY.** OF LETTER WRITTEN ON APRIL

10TH, 1910 BY MESSRS. HELLYERS STEAM FISHING CO.LD. TO  
MESSRS. COOK, WELTON & GEMMELL, LTD.

Dear Sirs,

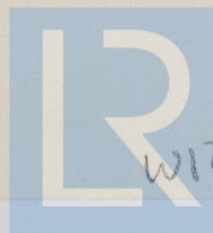

With reference to your conversation per telephone this morning, we require the cable for the two new fleeters you are now building, to be in 30-fathom lengths as per specification, and we also require these cables to be tested in 30-fm. lengths. We shall be pleased if you will arrange accordingly. Mr. Wilson, Lloyd's Surveyor, rang us up hereon last evening asking us to forward him letter saying whether we required the cable to be tested in 30 fathom lengths, and we informed him that we would communicate with you respecting same.

Yours truly,

FOR HELLYER STEAM FISHING CO., LTD.

(Signed) Hugh G. Chapman.

Secretary.
