

LLOYD'S REGISTER OF SHIPPING

Port BAHIA BLANCA

31th August 1921

D. G. BRUCE
Assigned

Acting Surveyor to this Society did at the request

Mr Don Juan L. de Bertolano Jefe de Talleres Puerto Militar
employed the T.S.S. " BAHIA BLANCA " 5363 tons net register of
was on August 30th whilst lying in Puerto Militar dry dock
for the purpose of ascertaining the condition of the tail shafts.
On examination the undersigned found both shafts in very good condi-
tion and the white metal strips in the stern tube true in excellen-
condition also.
