LLOYD'S REGISTER OF SHIPPING,

DAIREN, 25th April, 1935.

RECEIVED  
10th May, 1935.

Dear Sir,

In reply to your letter of April 2nd, regarding the withdrawal from the Society's classification of the Dairen Kisen Kaisha's vessels:-

"KANAN MARU"	"SANTO MARU"
"KAHOKU MARU"	"SANDAI MARU"
"TONAN MARU"	"KAIYU MARU"

I have approached the Dairen Kisen Kaisha several times on this matter and at an interview with them this morning, they informed me that they had definitely decided to withdraw these six ships from class at present and cannot be persuaded to alter their decision.

At this same interview I got the promise of classification with the Society for the two larger of the four vessels they propose building in July this year.

I am, Dear Sir,

Yours faithfully,

The Secretary,  
LONDON.
