Dear Sir,

We have to forward herewith copies and free translations of Owners' letter of 27th January last and 6th inst intimating withdrawal of the above vessel's class with this Society.

On receipt of the former of these two letters, we got into touch with the Owner, who agreed to suspend the letter for reconsideration, and he has only now definitely come to the decision set forth in the later letter received to-day.

In the opinion of the undersigned the decision taken is not unconnected with present international relations.

We are, Dear Sir,

Yours faithfully,

James D. Morrison

The Secretary,
