Survey Due 2nd Special Survey No.1 due 8,34.

A proposal to carry out the above survey within the year of grace was agreed to after the vessel had been generally examined at Hong Kong in January last.

The Owners now write that at present it is not their intention to put this vessel through Special Survey.

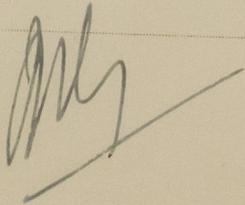

They state that they are considering a proposal to use her as a storage hulk after the end of the present month, failing which she will be sold for breaking up purposes.

They add that they will communicate with this Office as soon as a decision has been made, and desire to leave the matter in abeyance for a few weeks.
