The Secretary.

London.

Sir,

With reference to your classing letter of the 11th instant respecting our First entry report on the S.S. " I R I S " I beg to inform you that the vessel has been cemented in the usual way except in the oil compartments, where the layer of cement fitted is such that the rivet heads are just covered, reason why in my opinion the entry " cem " would in this case be in order.

I am, Sir,

Your obedient servant,

Drury
