ANSW  
Dear Sir:-

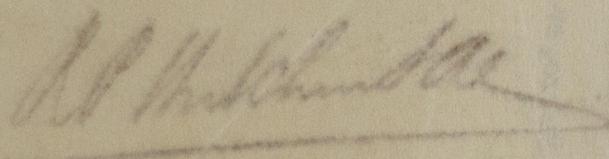

I have to submit herewith verification freeboard report on the S.S. "LE QUESNOY", Thor Iron Works Hull No.9.

The report has been completed in this office and the Toronto Surveyors advised that the freeboards as now recommended for the approval of the Committee may be marked on the vessel's sides, the marks verified and a provisional freeboard certificate issued.

The Toronto Surveyors are being requested to state the thickness of the mounting angles fitted to the hatchweb plates, as this information has been omitted from the report.

I am, Dear Sir,

Yours faithfully,

Secretary to the  
American Committee.

The Secretary,

London.
