## Lloyd's Register of Shipping.

71, Fenchurch Street, E.C. 3.

24th April, 1920.

Dear Sirs,

With reference to your first entry report No. 8304 on the Steamer "MAINE" I have to inform you that the proportion of the fees which will be chargeable to the Department of the Controller General of Merchant Shipbuilding for the survey during construction of the machinery of this vessel up to the time of transfer to private ownership will be 37.5% of the difference between the fees as Standard machinery and the ordinary classification fees, which in this case will amount to say £37:0:0.

An account has to-day been rendered to the Accountant General, Ministry of Shipping, for this fee, and on payment your account will be credited accordingly.

I shall therefore be glad if you will kindly see that the necessary entries are now made in your Rough Fee and Debit Books in the usual way.

I am, Dear Sirs,  
Yours faithfully,

Secretary.

To Surveyors,  
BELFAST.
