21st August, 1935.

Dear Sirs,

H. With reference to my letter of the 1st September, 1933 and your reply of the 11th October, 1933 relative to the Boiler Survey of the steamer "DUMONT D'URVILLE", I think it well to acquaint you that the Committee have agreed to this vessel retaining her classification in the Society's Register Book while she is laid up, subject to the 2nd Special Survey No.1 being carried out before she is again placed in commission. In the circumstances I shall be obliged if you will kindly keep this case in mind, and advise me should it be decided to move the steamer from Saigon.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
