Survey Due Boiler Survey due 7,33.
2nd Special Survey No.1 due 7,34.

Action in this case has been deferred from time
to time in view of the vessel being laid up at Saigon.

Lloyd's Agents at Saigon were instructed in September,
1933 to appoint a Surveyor to carry out the Boiler Survey
before the vessel was recommissioned, and they stated in
October of that year that the boilers were not being used
while the steamer was laid up.

The year of grace has now expired, and the Owners
write that the steamer is still laid up.
