Particulars of Classification (which must be inserted precisely as in Register Book & Supplements)

All alterations in the existing records should be underlined.

As Water Ballast Tanks, state whether the manhole covers have been removed, and the insides also state the amount of deterioration (if any) found in the thicknesses of the floors, framing, bottom plating, especially in the boiler space.

No. *4485* Port *L.A.*

When held, must be reported in detail and serialism in the terms of the Rules. State clearly the nature and extent of Examinations and subsequent repairs. Repairs (the cause of which must be stated) should be separated from Repairs due to other causes; and in the body of the report, should be summarised in the form shown below. Whenever the Repairs or Chains is reported the particulars should be clearly stated in the space provided on the right. State also the dates and initials of any letters respecting this case.

If the Surveyor has not made a special damage report he is required to state whether he has for this purpose and to whom and why they were declined.

Was a damage report made by anyone else? If so, by whom?
