SIR JOHN JACKSON. (CIVIL ENGR. CONTRS.)

Recd.3-Mar.1936.

LONDON, 2nd March, 1936.

Dear Sir,

"J.J.10" & "J.J.11" - Train Ferries.

We thank you for your two letters of 21st February regarding the above. These vessels, however, have now finished their work on the Singapore Naval Base and we do not proposed to keep them on the Register under classification. We take it that they will, therefore, be removed from the Register and that no further surveys will be required.

Yours faithfully,

(Signed) A. BOLAM.
