The Clerk to the Classification Committee
Lloyd's Register of Shipping
71 Fenchurch Street
London, E.C.3.
ENGLAND

Dear Sir:

Re: s.s "Marie Moller"

We thank you for your communication of the 21st August, and we appreciate the attitude of your Committee with regard to the points raised.

We felt that there were extenuating circumstances regarding the matter, and we regret that there was no other alternative but for us to apply to the British Corporation Register of Shipping & Aircraft. Accordingly, we were issued with a Provisional Load Line and Classification Certificate for the s.s "Marie Moller", which will hold good until November, 1936, when the vessel will undergo complete overhaul.

Yours faithfully,

K. Kinnock
SECRETARY.
