ENCLOSURES.

21st August, 1936.

Dear Sirs,

S. With reference to my letter of the 25th June last, respecting the case of the steamer "MARIE MOLLER", I think it well to enclose for your information a copy of a further letter I have received from the Owners, Messrs. Mollers Limited, explaining the circumstances which prevented them submitting this vessel to the general examination required for postponement of the Special Survey No.3 for the period desired, and also a copy of my reply.

It may be well for you to take an opportunity of discussing this case with the Owners, with a view to ascertaining whether there is any possibility of their arranging to carry out the Second Special Survey No.3 in order that the class may be re-instated.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
SHANGHAI.

Clerk to the  
Classification Committee.
