27th May, 1936.

Dear Sirs,

I am in receipt of your letter of the 25th ultimo enclosing one from Messrs. Moller & Co., respecting the postponement they desire for the Second Special Survey No. 3 of their S.S. "MARIE MOLLER".

You will no doubt have already received my letter of the 18th instant which deals with the application referred to in the letter you have forwarded from the Owners, and you will no doubt have advised them of the contents.

I take this opportunity to add that, in reply to the letter which was addressed to Mr. Ralph B. Moller, <sup>here</sup> he states that the general examination which the Committee have required for the extension desired can be carried out in Japan, and I have accordingly written to Mr. H. Jasper Cox at Kobe giving full particulars of the case.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
SHANGHAI.
