19th May, 1936.

Dear Sir,

I beg to acknowledge the receipt of your letters of the 16th and 19th instant respecting your application for the postponement beyond the year of grace for about four/six months for the completion of the 2nd Special Survey No.3 of your s.s. "MARIE MOLLER" ex "BENVANNOCH", and note that the general examination which the Committee require to be carried out before granting the extension, will probably be held in Japan.

As desired, I am accordingly communicating by this mail with Mr. H. Jasper Cox, the Society's Principal Surveyor in Japan, requesting him to be good enough to arrange for the matter to receive attention, and informing him that he will be advised of the vessel's movements by your Shanghai Office.

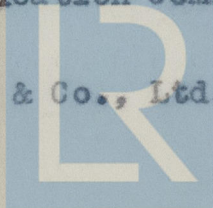

Thanking you for your attention in the matter.

I am, Dear Sir,

Yours faithfully,

Clerk to the  
Classification Committee.
