10th March 1927.

Dear Sir,

With reference to your letter of the 8th and mine of the 9th instant respecting the case of the Steamer "EUCLID", I am directed to state that the report on the damage sustained by this ship has been read with interest.

To enable the calculations made by Messrs. G. Nicol and J.R. Clarke to be thoroughly examined, I shall be glad if you will be so good as to forward the I/Y calculations made by these gentlemen.

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,

GLASGOW.
