Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

ENCLOSURE.

26th March, 1935.

Dear Sir,

S. I duly received your letter of the 18th instant relative to the steamer "OAKGROVE" and have also received communications from the Newcastle Surveyors, who have forwarded a letter from the Owners stating that this vessel's classification has been transferred to the British Corporation.

The case was reported to the Sub-Committee for Classification at their meeting today, who, in all the circumstances, have had no alternative but to give instructions for the vessel's class to be expunged from the Register Book with a Red Line, indicating non-compliance with the Society's Rules, and I enclose for your information a copy of the letter I have today addressed to the Owners conveying this decision.

I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification Committee.

The Secretary,

GLASGOW.
