24th October, 1929.

Dear Sir,

M.

With reference to your Report No. 18969 on the reconstruction of the Steel S.S. "DELAWARE", I think it well to point out that, as will be observed upon reference to the Society's Register Book, this vessel has a notation in Column 3 of "Straight frames, bevelled bilge", and in these circumstances I shall be glad if you will be so good as to state what alterations, if any, have been made to the bilge in the after body of the vessel, as the plans forwarded by you show an ordinary rounded bilge.

I am, Dear Sir,

Yours faithfully,

Secretary.

A. Chisholm, Esq.,

HAMBURG.
