Owners:- Messrs. Tatsuzawa Kisen Kabushiki Kaisha.

No surveys are due on the first mentioned vessel, while the second Special Survey No. 1 became due on the "MIYADONO MARU" in October last.

In reply to enquiry the Society's Surveyors at Kobe now forward a translation of a letter received from the owners, to the effect that as the vessels are engaged solely in the Formosan trade they do not desire to continue the Society's classification.

The Classing Committee had the cases before them on Friday, the 10th instant, when, in the circumstances, they decided to give instructions for the vessels' characters to be withdrawn from the Register Book, and three dots (. . .) inserted in each case, indicating withdrawal of class at owners' request.
