Barges owned by "La Columbia" Soc. Marit.

Steel Barge No.1 - 1st S.S.No.1 became due 2,34. X

" " " 2 - " " " " " " "

This case is stated in endorsement dated 16.3.35 when Mr. Ormiston was informed that unless the Owners were prepared to agree to a survey by one of the Society's Surveyors when the barges were dry docked it would not be possible to continue their class.

In April last action was deferred by the Committee following a statement by Mr. Ormiston that the Owners proposed to submit the vessels for survey at the next dry docking, probably in the following October or November.

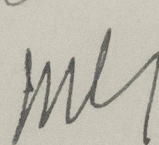

In reply to enquiry Mr. Ormiston now states that he is informed by the Owners that the barges will be put on the slipway at Civitavecchia about the middle of next month. Mr. Ormiston has advised the Non-Exclusive Surveyor at Leghorn accordingly.

The Owners' proposal is submitted for favourable consideration.

The Leghorn Surveyor should be advised.
