all communications to
be addressed to
THE SURVEYORS.

Dear Mr. Scott,

I duly received your letter of the 27th ultimo regarding the surveys of the Barges N°1 & 2, belonging to Messrs "LA COLUMBIA" Soc. Marittima, and have had a further conversation with the Owners respecting the matter.

Captain Lugli, the Owners' Superintendent, has agreed to a survey by one of our own Surveyors at the next dry docking of these Barges, which will probably be in October or November next.

It is presumed from the paragraph at the top of page 2 of your above mentioned letter, that in all the circumstances the class may be continued: it will of course be noted that the year of grace expired at the end of February last.

With kindest regards,

Yours sincerely,

James S. Oppenheimer
