ENCLOSURES.

8th July, 1935.

Dear Sir,

H.

With reference to recent correspondence and to the 2nd Special Survey No.1 which became due at the end of October last on the steamer "SOCONY", I think it well to enclose herewith for your information a copy of a letter which has been received from the Owners of this vessel, together with a copy of my reply thereto, and I shall be glad if you will be guided thereby in the event of the Modified Special Survey being carried out at your Port. For your guidance I may say that the inspection required in this case, involves the general examination of all the items comprised in the Special Survey now due.

You will observe that the Boiler Survey became due at the end of last month.

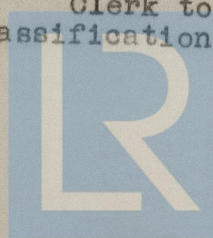

I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification Committee.
