Dear Sir,

I beg to acknowledge the receipt of your letter of the 14th instant with further reference to the case of the steam trawler "MARIA DOLORES".

I was advised at the end of last month by the Society's Surveyor at Cadiz that nothing had been done with regard to the dry docking of the vessel and immediately took up the matter with Sr. Galiana, the Owner, who advised me that he had written to the Soc.Esp.de Construccion Naval at Cadiz requesting a price and date for dry docking. I suggested to Sr. Galiana that he should immediately telegraph his instructions to Cadiz as the Committee were under the impression that the arrangements to dry dock were definite.

Later Sr. Galiana advised me that he was still awaiting a reply from Cadiz. On the 9th instant Mr. Langlands advised me that the Soc.Esp.de Construccion Naval stated to him that they had had no request from the Owner.

The Owner then informed me that his partner had forgotten to write to Cadiz.

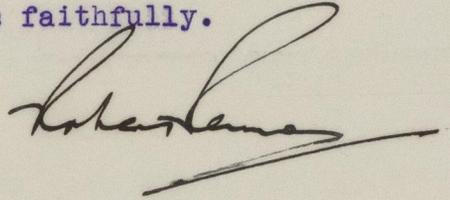

On the 15th instant I was advised that Sr. Galiana had left Barcelona on a business trip to Almeria and it was expected that he would be in Cadiz on about the 23rd instant.

I am unable to obtain any more information regarding this

case and consider that the Owner has made no genuine effort to
comply with the Committee's requirements.

I am, Dear Sir,

Yours faithfully.
