Dear Sir,

With reference to the change of ownership of the steam trawler "Juan" and the recommendations regarding the centre furnace and combustion chamber back plating, and to your letter of the 4th instant, I beg to inform you that I have had some conversation with the Owners and they say that on account of some difficulties which they experienced with the Society in Coruna and Santander, in the case of a vessel which was withdrawn from class, they have not yet decided to continue the class on the "Juan".

I am hopeful however that they will do so, and I have agreed to note the repairs that are at present being carried out so that in the event of the class being continued, I shall be in a position to report the case to the Committee.

I am, Dear Sir,

Yours faithfully,

The Secretary,  
London.
