The Second Special Survey No.1 became due on this vessel in July last.

The Society's Kobe Surveyors now forward a copy of a translation of a letter they have received from the Owners, stating that they do not wish to maintain the classification of the vessel with this Society.

The Classing Committee had the case before them on Tuesday, the 8th instant, when in the circumstances they decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
