4th February, 1920.

Dear Sirs,

With reference to your First Entry Report No.2655 dated the 20th November, 1919, on the S.S. "HEIMEI MARU", I have to request that you will state whether all the steel used in the construction of the vessel has been manufactured by firms approved by the Committee.

At the same time I have to add that it is concluded the spacing of the longitudinal frames is as per the approved midship section, but I shall be glad if you will state if this is so.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

K O B E.
