10th September, 1936.

Dear Sirs,

With reference to the classification in the Society's Register Book of your steamer "CAMOSUN", I beg to acquaint you that the Committee have today had before them a communication from the Society's Surveyor at Vancouver to the effect that you have decided not to recommission this vessel but to dismantle and fittings which may be of use in other vessels and to sell the hull probably for scrap.

The Committee further note that, in these circumstances, you are not desirous of maintaining her classification, and they have accordingly given instructions for the vessel's character to be withdrawn from the Register Book and Dots inserted in lieu thereof, indicating withdrawal from class at Owners' request.

Yours faithfully,

Messrs. Union Steamships, Ltd.
